Afinación: E A D G B E

[Intro] Eb   Bb   F

[Primeira Parte]

```
       Eb                    Bb
For a while there it was rough
            F                    Gm
But lately, I've been doin' better
           Eb                Bb
Than the last four cold Decembers
          F
I recall

              Eb                Bb
And I see my family every month
               F                    Gm
I found a girl my parents love
                    Eb
She'll come and stay the night
       Bb                          F
And I    think I might have it all

          Eb            Bb
And I thank    God every day
          F              F#°      Gm
For the girl he sent     my way
         Eb                Bb
But I know the things he gives me
                     F
He can take away
         Eb              Bb
And I hold you every night
              Gm
And that's a feeling
      F          Eb
I wanna get used to
```

```
                    Cm
But there's no man as terrified as the
   F
Man who stands to lose you

[Pré-Refrão]

(  Eb   Bb )

                          F         Gm
Oh, I hope I don't lose you
     Eb          Bb         F
Mm     please     stay
     Gm                        Eb
I want you, I need you, oh God
        Bb          F
Don't     take
                                   Eb
These beautiful things that I've got

[Refrão]

         Bb          Gm
Please      stay
     F                         Eb
I want you, I need you, oh God
        Bb          Gm
Don't     take
         F                         Eb
These beautiful things that I've got

[Pós-Refrão]

          Bb         Gm   F      Eb
Oh-oh-oh-oh, oh, oh, oh-oh-oh
         Bb           F
Please     don't take

[Segunda Parte]

             Eb                 Bb
I found my mind, I'm feelin' sane
                   F
It's been a while
```
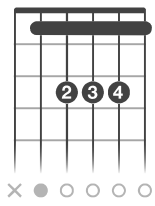

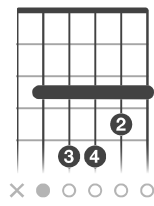

```
                    Gm
But I'm finding my faith
                   Eb
If everything's good and it's great
        Bb                        F
Why do I sit and wait 'til it's gone?

Oh, I'll tell ya
      Eb            Bb
I know I've got enough
            F         F#        Gm
I've got peace and I've got love
          Eb
But I'm up at night thinkin'
Bb                      F
I just might lose it all

[Refrão]

Eb          Bb        Gm
   Please     stay
     F                        Eb
I want you, I need you, oh God
        Bb          Gm
Don't     take
          F                        Eb
These beautiful things that I've got

[Pós-Refrão]

          Bb        Gm    F       Eb
Oh-oh-oh-oh, oh, oh, oh-oh-oh

[Final]

          Bb        F
Please     stay
                          Eb
I want you, I need you, oh God
    Bb         F
I     need

These beautiful things that I've got
```
